How Does It Feel

How does it feel, when dreams are ending
How does it feel, when the curtain has fallen down
How does it feel, when your faith is fading
You just cry, cry, cry.

We grow old together
We grow old together
We grow old together
Our love will flow on and on

How does it feel, when you friend is dying
How does it feel, when there's no more point in trying
How does it feel, when your baby is smiling
You just cry, cry, cry.

We grow old together
We grow old together
We grow old together
Our love will flow on and on

This love will flow.
